

## Letter of Recommendation

Aleksandar Culum  
CEO  
Ad Kraft

I am writing to provide my highest recommendation for Vladan Jekic, who worked as a WordPress Developer at Ad Kraft from March 1, 2023, to October 31, 2024.

During his tenure with us, Vladan consistently demonstrated exceptional skills and dedication. His profound knowledge of WordPress, along with his expertise in tools such as WooCommerce, API integrations, and custom coding, significantly contributed to the success of the projects he handled. Vladan consistently found innovative solutions to complex challenges and successfully implemented various functionalities tailored to meet our clients' needs.

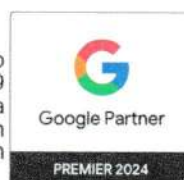

In addition to his technical proficiency, Vladan is a dedicated team player, collaborating effectively with colleagues and always eager to share his knowledge and provide support when needed. His professionalism, strong communication skills, and unwavering commitment to achieving project goals made him an invaluable member of our team.

I am confident that Vladan will be a valuable asset to any future employer, and I wholeheartedly recommend him for any position that requires a high level of expertise in WordPress development and web development.

Sincerely,  
Aleksandar Culum
